EDUCATION

Queens College, City University of New York

Enrolled in Bachelor of Science: Computer Science

Flushing, NY

January 2022 - June 2026

Thomas A. Edison Career and Technical High School

*Focus of Study: Mechatronics and Robotics Engineering
Advanced Regents Diploma*

Jamaica, NY

September 2016 - June 2020

RELATED COURSES

- | | |
|---|-------------------------|
| ❖ Object-Oriented Programming Language | ❖ Theory of Computation |
| ❖ Computer Organization and Assembly Language | ❖ Discrete Structures |

TECHNICAL SKILLS

- | | |
|---|---|
| ❖ Certifications: Robotics Engineering – NOCTI,
OSHA Certified | ❖ Operating Systems: Windows, Linux, MacOS |
| ❖ Languages: C++, Python, Java | ❖ Software: Microsoft Word & Excel, Fusion360 |

EXPERIENCE

DataAnnotations

February 2024 – Current

AI/ML QUALITY CODE SPECIALIST

Freelance

- ❖ I specialize in evaluating, analyzing, and enhancing code for AI and machine learning models.
- ❖ Ensure the highest quality, performance, and reliability standards, aligning with project requirements and industry best practices.

Target

April 2023 – February 2024

TECH CONSULTANT

Brooklyn, NY

- ❖ Experienced in retail business fundamentals including inventory management, guest shopping patterns, pricing, and promotion strategies.
